

Announcement - Commentary on article

Following a web article published on Monday 11/12/2017 on the website www.euro2day.gr under the title “Tensions remain, restructuring plan still pending”, the company ELLAKTOR would like to inform the investment community that the restructuring plan is under development.

Regarding the rest of the press report, the Company would like to assure you that, in case of any event whose disclosure is reasonably expected to affect the price of its shares, it shall proceed to a relevant announcement, with responsibility and diligence, in line with its established practice.
