

FACILITIES MANAGEMENT AWARDS 2015

The double distinction of AKTOR FM

AKTOR FM, member of the ELLAKTOR group and leading Company in the field of Facilities Technical Management, **received two distinctions at the Facilities Management Awards 2015** award ceremony, held on Tuesday, November 3, at the multiplex Cine Kerameikos.

AKTOR FM emerged victorious for the management of the aircraft maintenance hangar complex of the Hamad International Airport, in Doha, Qatar and won the first honorary award, in the category «Premises».

For this distinction, the company's CEO, Mr. Giannis Anastasiadis said:

«We are proud that an essentially Greek company, without any kind of support from complex funds or high-priced consultants, can prove it has the ability, the experience and the expertise, not only to cope with its competitors but also to distinguish for its provided services».

Moreover, **AKTOR FM received the gold award in the category «Facility Maintenance Decision-MIS»**, for its effective decision-making and monitoring tools.

The Facilities Management Awards 2015, which are being organized for the second consecutive year by the Plant Management Boussias Communications, highlight and reward the best practices in the facility management of business establishments, organizations, institutions and service providers.

The prestigious award ceremony, was attended by more than 230 senior executives from the largest companies and providers of the industry in our country.

These two distinctions, prove that **AKTOR Facility Management is fairly considered the leader in the facilities management and maintenance services.**
