NOTES:

Individual meetings with the expert **Martina Bleis** (project development) for selected projects' producers will be arranged by the organizers in cooperation with the expert during the first week of the session.

The expert **Simón de Santiago** (production) will enter each group of the Film & Series Labs, once, to offer his insight and give specific feedback for each of the participating projects.

Mixed group meetings with the expert **Marjorie Bendeck** (pitching) will be arranged by the organizers in cooperation with the expert during the first part of the session.

Mixed group meetings with the expert **Isabelle Fauvel** (project development) will be arranged by the organizers in cooperation with the expert during the second part of the session.

Individual meetings with the experts **Anna Ciennik, Elias Demetriou & Pavel Jech** (script development) will be arranged by the organizers in cooperation with the experts.

Other opportunities for individual consultations may arise & they will be announced & organized by the MFI.

The program is subject to change. Check daily for updates.

MEALS:

With the exception of the organized meals mentioned in the schedule, lunch & dinner takes place in the **various island restaurants (see RESTAURANTS LIST)** using **allocated MFI coupons for meals**. You can't buy alcohol with them.

Please also note that the coupons are not to be exchanged for money. Do not request change when paying with them.
